TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

New York State Procurement, a division of the Office of General Services, is pleased to announce the launch of the New York State Vehicle Marketplace. This one-stop shop for government vehicle buying allows authorized users to submit light-duty vehicle requests and dealers on contract to compete as they respond to the mini-bid request all electronically. Using a backdrop, continuous recruitment contract ([Award 22898](#)), New York State Procurement has created a marketplace environment that ensures authorized users can get the best available price for any of their light-duty vehicle needs.
